

NEED OF A THEATER.

Many Prominent Companies to Pass Through Honolulu.

The need of a theater in Honolulu will be sharply emphasized in the next two or three months, as there will be an exodus of American actors and actresses to Australia during the coming spring. George Musgrove of the firm of Williamson & Musgrove, the most prominent theatrical managers in Australia, has been in San Francisco for several weeks looking for attractions for his playhouses. He said lately that he had already closed contracts for sending four companies across the Pacific, and that he hoped to secure several more.

"Tribby" will be the first to go. The company, including several of the principals in A. M. Palmer's original company, will sail from San Francisco on March 5, and will open at the Princess Theater in Melbourne. Mrs. Potter and Mr. Bellew will follow on April 30, and will open at the Lyceum in Sydney.

"A Trip to Chinatown" will be the first of Charles H. Hoyt's comedies to visit Australia. The company will sail on May 28, and will also open at the Lyceum in Sydney. Probably the most important of Mr. Musgrove's engagements, however, is that of Nat C. Goodwin, who is booked for a twelve weeks' season in the island continent. He, with his supporting company, will sail from San Francisco on June 25. He will also open at the Lyceum in Sydney.

"This is really opening up a new field for American managers and stars," said Mr. Musgrove. "Your American season closes in May or June, while ours in Australia is just then opening. The trip will be a pleasant one, and I have no doubt that if Mr. Goodwin and the others we take over this summer prove successful—and for my part I am sure they will—many more will be eager to follow their example next year."

With a decent Opera House every one of the above attractions could be secured for one night, both going to and coming from Australia, but under the present conditions it is doubtful if they could be induced to play.

In the current number the Anglican Church Chronicle well sustains its character of brightness and devotion to the best interests of churchmen in particular and the community in general. There is a distinct revival of energy in the educational department.
